

**ICARO paragliders
Festival and lecture in Oppenau/Schwarzwald
5th and 6th March 2011**

Saturday, 5th March 11

11:00 am **Test flying and advice**
Where: Depending on the wind direction in the flight region Oppenau East or West
Starting ground „Rossbühl“ or landing place „Schäfersfeld“

19:00 pm **Lecture and seminar to the topic „Safety in flight, behaviour in extreme and critical situations, purchase of a glider, care of your glider and many more interesting topics...“**

Where: „Waldknechtshof“ in Klosterreichenbach

Speaker: **Michael Nesler**, paragliding constructor, author, photographer, flying instructor, company owner of „Professional Flying Team“

Profit from the long-time experience of our paragliding constructor Michael Nesler and take tips and tricks with you and develop your own potential further.

Also: up to date information about the product development 2011 of ICARO paragliders

Sunday, 6th March 11

11:00 am **Test flying and advice**
Where: Depending on the wind direction in the flight region Oppenau East or West
Starting ground „Rossbühl“ or landing place „Schäfersfeld“
